HOBBIES AND VOLUNTEERING ACTIVITIES

I am currently a member of VNES - Vietnam Network of Engaged Scholars, the network of scholars who are actively participating in the activities of [Service-Learning/Community-Engaged Learning \(SL/CEL\)](#). I built an innovative Service-learning subject “*Gender and Economic Development*”. I deliver the course and cooperate with partners in the community who need support for women in economics.

I enjoy being with family and playing individual sports like yoga, swimming, and gym in my spare time. I also enjoy acrylic painting and guitar playing for relaxation.
